Our school is currently running at **95.2%** attendance which is below our target of **97%**. We look forward to our target improving over the coming weeks. Well done to **Reception Class** with the highest attendance for the week before half term. Second week running. Well Done!

Please be aware of pedestrians and children on the footpaths when opening your car door. The street is very busy at pick up and drop off time. Thank you for your support.

'Do you have any old/unused keys lying around your home?'

The Keys Federation are collecting old/unused keys for a future art project, so please could you take a look around your home/garage to see if you have any old/odd keys that are lying around that no longer belong to anything. Maybe an old door key, padlock key, gate key...?

If you do have some unwanted keys, please send them into your school office before the summer holidays.

Thank you, as always, for your support with this special project.

We are very excited to launch our STEM week workshops in school. Each class will have time allocated to demonstrate their chosen workshop in the school hall. An ideal opportunity for a full on hands experience of STEM within school. Please try to join us and give it a go.

Please see below the dates and times of class workshop -

<b>Tuesday 12<sup>th</sup> June</b>	<b>Reception &amp; Year 1</b>	<b>2.30pm</b>
<b>Wednesday 13<sup>th</sup> June</b>	<b>Year 3 &amp; Year 4</b>	<b>2.30pm</b>
<b>Thursday 14<sup>th</sup> June</b>	<b>Year 5 &amp; Year 6</b>	<b>2.30pm</b>

All parents/carers and families are welcome to attend.
